

Department of Revenue 2017 Education Offering

Course: **IAAO 150 – Mathematics for Assessors**

Where: **Liquor Division Training Room**

6601 Campstool Road
Cheyenne, WY 82002

When: **August 14th – August 16th, 2017**

Class will run from 8:00 - 5:00 Monday and Tuesday.
The exam will be held at the instructor's discretion on
Wednesday.

Course Description:

This two-day workshop is designed to provide the student who plans on attending IAAO programs with an understanding of the mathematical concepts and techniques applied in the appraisal and assessment administration disciplines. It is designed for both the beginning student who has limited knowledge of mathematics and those students who wish to refresh their mathematical skills. Topics covered include a review of the basic mathematical functions, negative numbers, decimals, percentages, exponents, roots, mathematical notation, algebra, statistics, and graphs. This workshop includes an exam. Students will be required to provide their own HP12-C calculator for use in the class.

IAAO recertification credit: 15 hours - 2 days

Certification:

IAAO 150 will count towards the 90 hours needed for permanent certification with successful completion of the exam. For permanently certified staff, continuing education hours will be granted regardless of the exam results.

Hours: 15

Instructor: Barry Couch

Accommodations:

No special arrangements have been made for this class.
